Local dollars are changing local lives.

The United Way of Washtenaw County is addressing the community’s most critical needs with a goal of maximum impact. We provide leadership in identifying the root causes of community issues and work with local leaders and collaborative partners to provide effective responses and solutions. We have a proven track record of demonstrated success in improving the lives of the people of Washtenaw County.

We have spent the last year listening and engaging the community to focus on the issues that people are most passionate about. Our strategic planning process identified five key focus areas for our Community Impact model that is leading to measurable and sustained results for Washtenaw County. Visit uwgive.org for the complete strategic plan and scope of work.

Our 2013 Campaign Co-Chairs, Dave Lutton and Laurel Champion, deserve special recognition for their continuous commitment to our community. They helped to raise the resources needed to address the emerging and critical needs of families. They epitomized the word “volunteer” as they spent countless hours being the voice for those unheard in our county and recruiting new hands to help in our work.

We would like to thank all of our volunteers, donors, friends and partners who help us to build a safety net of support for our citizens and provide solutions that no single cause agency can do on its own. The United Way logo promises hope and help for those in need, our people make that promise come to life everyday – with your help we change lives!

David Clifford, PhD
Chairman
Board of Directors

Pam Smith
President/CEO
United Way of Washtenaw County
2014-2017 STRATEGIC PLAN OVERVIEW

COMMUNITY IMPACT: THE 5 STRATEGIC FOCUS AREAS

1. EARLY CHILDHOOD
   OUTCOME:
   • Children enter school ready to succeed.

2. SCHOOL AGE YOUTH
   OUTCOME:
   • Increase the high school graduation rate.
   • Physically and emotionally safe.

3. HEALTH & NUTRITION
   OUTCOME:
   • Increase access to health services.
   • Increase food security.

4. HOUSING & HOMELESSNESS
   OUTCOME:
   • Reduce the number of homeless families and individuals.

5. SENIORS
   OUTCOME:
   • Increase independent living factors for low-income seniors.

Your donations and involvement directly impact the people of Washtenaw County.

COMMUNITY IMPACT.
• Health • Education • Financial Stability

GIVE.
• Revenue Diversification • Year-Round Donor Relationship

ADVOCATE.
• Public Policy Platform • Communications Plan

VOLUNTEER.
• Group Volunteerism • Organizational Leadership/Governance

OPERATIONS.
• Financial Management • Metrics • Best Practices

THE MISSION OF UNITED WAY OF WASHTENAW COUNTY IS TO CONNECT PEOPLE, ORGANIZATIONS AND RESOURCES TOGETHER TO CREATE A THRIVING COMMUNITY FOR EVERYONE.

Local Dollars Changing Local Lives.

If you need help with utilities assistance, food, shelter or any other basic need, dial “211” from any phone.
The Coordinated Funding initiative is a public-private partnership between the United Way of Washtenaw County, the Office of Community & Economic Development (which represents the City of Ann Arbor, Washtenaw County, and the Urban County), Ann Arbor Area Community Foundation and the RNR Foundation.

COORDINATED FUNDING OUTCOMES

- Reduce gaps and redundancies in services
- Define and support shared, community-wide strategies
- Focus the attention of donors, funders, and nonprofits on specific outcomes
- Maximize community resources and return on investments

2012 COORDINATED FUNDING GRANTS

In 2012 - the second year of the three year pilot program - the Washtenaw Coordinated Funders jointly awarded more than $4.9 million in grants:

- $4.4 million in competitive grants to support 63 programs and services at 39 agencies
- $270,000 to support the six lead agencies that strengthen collaboration among nonprofits, and
- $225,000 in capacity-building grants that invest in new strategies and systems.

EXAMPLES OF CAPACITY BUILDING OUTCOMES THAT STRENGTHEN THE NONPROFIT SECTOR:

- Targeted resources address birth-to-six and school age youth gaps in the Ypsilanti Community Schools
- Leadership grants brought together hundreds of human service providers and leaders to define and share best practices and research on key community outcomes
- Incentive grants for local health and human service nonprofits to develop innovative ways to consolidate their administrative structures
- Funding that helped a local nonprofit’s billing capacity and reimbursement opportunities under the Affordable Care Act, putting less pressure on the local community for resources
- Grant to help a local nonprofit transition from long term Executive Director to the hiring and successful start of a new leader.

Becoming pregnant with her second child, a local working mom found out that her minimum wage job wouldn’t cover childcare and rent. She needed a solution that would allow her to keep working and provide quality care for her child. United Way helps to fund scholarships for childcare costs through local non-profit - Child Care Network.

"Quality childcare not only helped her baby grow up healthy and happy, it helped her maintain her job and gain the experience she needed to get promoted.” CCN Caseworker.
Our Work at the United Way of Washtenaw County is committed to advancing education, financial stability and health in our community. Our goal is to create a healthy community where every child succeeds in school and every individual and family achieves financial stability. Our collective resources are effectively targeted to drive sustainable impact and change in our community.

The plan to drive change starts with targeted priorities and strategies focused intently on our community’s most pressing needs. Our data portal at uwgive.org/dataportal positions us as an expert resource with up to date facts and figures on human service data in one central location.

**EDUCATION**

Our Work advances early childhood education initiatives and helps to ensure children will be ready for kindergarten. We help and invest in collaborations that are organized to increase high school graduation rates and the social and emotional health of our community’s children.

**INCOME/FINANCIAL STABILITY**

Our Work helps low income families become more financially independent and stable by developing strategies to save and reduce debt. We support and provide resources around the county for families needing assistance that keep them in their homes, with the resources they need to thrive. Financial literacy is an key strategy of our investments.

**HEALTH**

Our Work increases access to nutritious food for our citizens, provides children 0-5 appropriate oral health care, and supports emergency dental clinics. Our AmeriCorps members enroll residents for crucial benefits. Our investments address the needs of our growing elderly population and assure services to keep them safe and secure.
A 94 year old woman walks to a food pantry once a week to gather groceries that supplements what she can afford to buy. Rain or shine she is there every week, shared the agency director with our staff. United Way dollars change local lives by providing support for local food pantries. Good nutrition is vital to maintaining health and quality of life.

“United Way support helps us keep the doors open, and builds bridges for us to the broader community.” Faith In Action stands by families in need, providing stability where there was none, a hand up when it’s needed most and a setting where everyone who walks through its doors feels respected. Many clients return the favor, volunteering or finding other ways to give back and help those who have helped them.”  

FIA Director

Thank-you!  Your involvement and support continues to give us the opportunity to make sustainable, lasting change happen. We appreciate your continued commitment to our community!

United Way is a catalyst for change. No other single cause organization can create this kind of leveraged impact and your support has made a significant impact on the work we are doing in our community.

CJ needed a way to get outside in the sunshine without being carried; that’s when Sheila Pedersen, the United Way labor liaison got involved and worked with the UAW/Ford Community Service Crew to fund and build the ramp and play area that gave CJ room to operate his wheelchair and enjoy the outdoors. CJ’s grandmother shared “I want to give back, after all this outpouring for my grandson.”

“A 94 year old woman walks to a food pantry once a week to gather groceries that supplements what she can afford to buy. Rain or shine she is there every week, shared the agency director with our staff. United Way dollars change local lives by providing support for local food pantries. Good nutrition is vital to maintaining health and quality of life.

United Way is a catalyst for change. No other single cause organization can create this kind of leveraged impact and your support has made a significant impact on the work we are doing in our community.
