Donor Choice Information

We encourage you to direct your gift to United Way of Washtenaw County's Community Fund, which is managed by experienced volunteers who invest these resources in programs that meet community priorities and produce measurable results. If you have special interests, you may designate all but \$2,500 of your gift to another United Way or any not-for-profit organization or charitable group. The charity must be recognized by the IRS as a 501(c)3 organization and comply with U.S. Patriot Act requirements.

The Donor Choice Program gives you the ease of supporting many charities, hospitals, schools and universities through your single, convenient United Way gift. The community benefits because your new or increased donation to United Way may be matched dollar-for-dollar by programs that leverage your donation and double or even triple the impact of your initial gift.

Designated gifts will be forwarded in your name so you can be properly recognized by the charities. Payments are made as the pledge is fulfilled. Also, all designations will be above and beyond any amount received as part of the United Way community investment process. No administrative fee is charged to you or the organization.

Please complete the information shown below and return this form along with your Tocqueville Society pledge form.

Please direct my gift as follows:
