A Message from our Campaign Chair:

Over the last year, we all have seen the impacts of COVID-19. Through it all, United Way, because of your support, has been able to deploy resources to organizations and communities that need it the most. Our campaign this year is laser focused on raising resources that will help ensure that equality exists regardless of your zip code.

We are excited to partner with you as we look to fight poverty, racism, and trauma, uplift and empower children to strive for their wildest dreams and ensure that the golden members of our

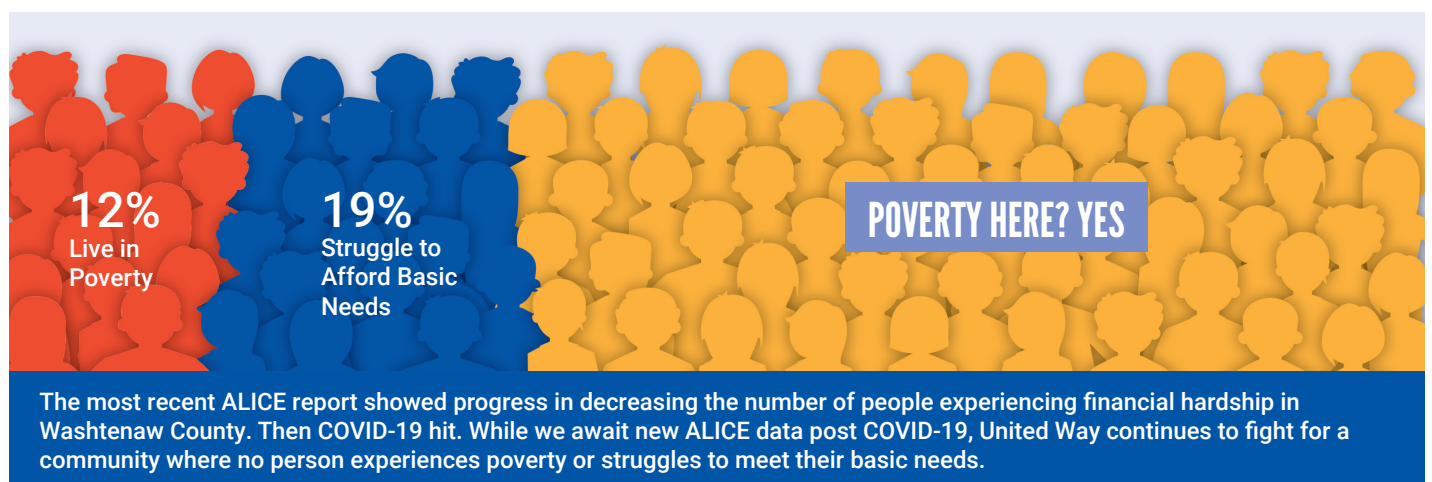

community have access to critical services by which they can age gracefully.

Help us create solutions for a more equitable life for ALL!

We must continue to answer the call to impact the community we live in, work in and love. Please join me this year in answering the call!

Brandon Tucker
2020-2021 Campaign Chair
Associate Vice President of Workforce and Community Development
Washtenaw Community College
