Local Dollars Change Local Lives

**A Message from our Campaign Co-Chairs:** Washtenaw County is a truly remarkable place, where a sense of community is strong. We're incredibly fortunate to call this area home. Yet inequity persists here, all too often along racial and geographic lines.

The United Way of Washtenaw County works to increase the opportunity for all, but particularly for the nearly 55,000 households struggling to afford basic needs. These are our friends and neighbors, your child's teachers, the home health aide caring for an aging parent, and yes, even our local nonprofit staff.

Washtenaw County can and must do better than this, which is why our United Way invests in solutions to increase the opportunity for all. And we believe every dollar counts.

**We invite you to LIVE UNITED to help ensure that our county's most vulnerable have the resources and support to thrive.**
