

United Way
of Washtenaw County

The United Way of Washtenaw County has served our community for 100 years, securing a safety net of health and human services to ensure that families and individuals of all ages throughout Washtenaw County thrive.

OUR VISION:

AN EQUITABLE COMMUNITY WHERE OPPORTUNITY IS NOT LIMITED AND EVERY MEMBER REACHES THEIR FULL POTENTIAL.

BY THE YEAR
2030
WE ASPIRE
TO LIVE IN A
COMMUNITY
WHERE

Your zip code no longer determines your opportunity in life • Life expectancy is the same across all populations and communities in our County • The academic achievement gap is eliminated • Everyone in our community has a home • Community members seek understanding and awareness of their own power and privilege and actively work to end poverty in our County • Poverty is not generational; if it exists, it is intermittent and brief • Everyone in our County is able to thrive and meet their needs.
