Dear Brothers & Sisters,

At a time when working families across this state are facing a jobs crisis and unprecedented hardship, our partnership with the United Way is more valued than ever.

For over six decades, AFL-CIO Community Services has worked in national and locally based partnerships with United Way to serve those in need in our communities. United Way advances the common good by creating opportunities for a better life for all.

Together we focus on education, income and health - the building blocks for a good quality of life. This is exactly what is needed to help families recover, rebuild and create a strong future.

To achieve its goals, United Way recruits people and organizations who bring the passion, expertise and resources needed to get things done. But only with your help can they succeed.

Through our partnership, you can advocate and you can volunteer. That's what it means to LIVE UNITED, and in the Labor Movement we know what living united means.

Please join me in supporting the 2016 United Way campaign.

Sincerely,

Ron Bieber
President
